

WIDELY RECOGNIZED AS ONE
OF THE WORLD'S SAFEST BANKS.

*Headquarters of Republic National Bank
of New York (Monaco) S.A. in Monaco.*

Republic clients are uncommonly perceptive people. They know we offer all the services of a modern, growth-oriented bank. Yet ask any of them to describe Republic in one word - and that word is invariably: Safe.

The main reason is that we have built Republic's global operations with client security uppermost. It's why we maintain one of the strongest capital ratios in the banking industry, a high degree of operating efficiency and a relatively small loan portfolio. Our credit ratings are AA.

Republic is now one of America's 25 largest banks and one of Switzerland's largest foreign-owned banks, ranked by assets. Putting safety first evidently makes a great deal of sense to a great many people.
